Where will the Year-End Show be held?

Our 2024 Year-End Show will be held at The Ferst Center for the Arts at Georgia Tech. This **Itinerary** is filled with all the details so you will know exactly where to go, including directions, parking and more.

Location:

The Ferst Center for the Arts
Georgia Tech Campus
349 Ferst Drive NW
Atlanta, GA 30332

Parking:

Please plan to park in the **Parking Area 3** deck. The cost to park is \$10 per car.

The walk from the parking deck is about the same distance as the circular drop off area outside the student center, but use your own discretion if you want to drop your dancer off in that area. You will still need to accompany your dancer to the dressing room check-in area.

To keep your dancers safe and the spaces organized, we have multiple holding rooms throughout the theater based on ages. We will have visible signs and plenty of **Your Guides** (aka staff) available to direct you! **IMPORTANT:** Make sure you refer to the chart on pages 15-25 in this packet to see the Check-In/Holding Room Location and the Check-Out/Dismissal Location assignment for your dancer! Your Check-In Location may be different from your Dismissal Location, so please read carefully!

Theater Security

We will have three dedicated security guards – one stationed outside The Dreamhouse Holding Room and one inside the main lobby of the Ferst Center near the Malibu Mansion Holding Room with a third security guard floating as needed. Additionally, we will have designated staff members and/or parent volunteers assigned to each class inside the holding rooms. All dancers will be monitored at all times and escorted by at least one adult to and from any exterior entrances.

YEAR-END SHOW TICKETS (continued)

Is there a limit on the number of tickets I can purchase?

Yes! To ensure priority is given to parents of dancers, we will offer a 7-day priority ticket sales period in which only current Rhythm families can purchase a limited number of tickets per family per show. The dates for this 7-day window are Tuesday, May 7 at 8p.m. - Tuesday, May 14 at 7:59p.m.

As outlined below, each show will have a unique limit of tickets per family based on the size of the show, anticipated demand from our survey and other factors based on historical data. When the priority sales period ends, any remaining tickets will be open to the public with no limits. This is why it is very important for families to purchase their tickets during the priority sales period.

TICKET LIMITS PER FAMILY PER SHOW

- Wednesday, May 29, 2p.m. = 6 Tickets
- Wednesday, May 29, 7p.m. = 6 Tickets
- Thursday, May 30, 2p.m. = 6 Tickets
- Thursday, May 30, 7p.m. = 6 Tickets
- Friday, May 31, 2p.m. = 5 Tickets
- Friday, May 31, 7p.m. = 5 Tickets
- Saturday, June 1, 11a.m. = 5 Tickets
- Sunday, June 2, 1p.m. = 6 Tickets
- Sunday, June 2, 6p.m. = 5 Tickets

On Sunday, May 5 at 5:00a.m., you will receive a unique code sent to your email address on file in the parent portal. This code will be required to access tickets during the 7-day priority sales period. **If you do not purchase tickets during this 7-day period, we cannot guarantee seats will be available!** Beginning May 14 at 8:00p.m., we will release any remaining seats (if available) for purchase on a first come, first served basis.

IMPORTANT: Make sure you read all your Rhythm emails to stay up to date on all the details. It is critical that your email address and cell phone number are up to date in your parent portal. Click [here](#) to update/verify your email address! Also, if you don't regularly receive Rhythm emails, be sure to check your spam folders because we do send you emails regularly already!

How do I purchase/reserve my tickets?

We will send an email the week of April 29 with a link to purchase tickets and detailed instructions. You will also receive a separate email from Dance Recital Ticketing on Sunday, May 5 with a unique code which will grant you access to the priority sales period. You will use that code when purchasing tickets/selecting your seats. Only one code is sent per family, and this is the only way to be able to purchase the limited tickets available during the priority sales period.

If I have issues with the ticket buying process, who do I contact?

You will contact Dance Recital Ticketing, not Rhythm Dance Center. Ticket purchases are subject to their policies and guidelines of which we have no control, so any and all issues or questions with tickets must be handled through Dance Recital Ticketing at 706-550-1416 and choose option 1. We will not be able to assist you with ticket sales at Rhythm Dance Center.

Will my seats be reserved or general admission?

All seats are reserved seating.

Can my dancer watch the show in the audience with me?

No, all dancers are required to remain in their designated holding/dressing rooms for the entirety of the show. If your dancer is only performing in Act 1, you can pick them up at Intermission according to the dismissal policy outlined later in this packet. We plan to have a live feed of the show on monitors in each of the holding/dressing rooms so dancers can watch the entire show.

Can my child sit in my lap instead of purchasing their own ticket?

Children age 2 and under may sit in your lap without a ticket. All children ages 3 and older must have their own seat.

Is there a chance that the show my dancer is in will sell out?

Yes! Our shows often sell out, and we do anticipate being at full capacity this year at all shows. This is why we limit ticket sales during the first week! Please purchase your tickets **EARLY** to ensure you and any guests who wish to attend your dancer's performance will have a seat!

When can I enter the Lobby & Theater?

The lobby will be open one hour prior to the show, and no dancers or guests will be allowed in the lobby earlier. The theater doors will open 45 minutes prior to show time. All dancers must be checked in to their designated dressing room no later than 30 minutes prior to show time.

If my dancer is in multiple shows on the same day, can I stay in the theater for the next show?

No. If your dancer is in multiple shows on the same day, you will need to exit the theater and the Rhythm Nation Barbie Dream Vacation lobby area after your first show, and make sure you take all belongings. You may not leave items in your seats for future shows. The theater will be cleaned in between each show, and any items left will be turned in to the lost and found. Thank you in advance for your courteous cooperation!

DRESS REHEARSAL

Dress Rehearsal is a very important part of the Year-End Show experience as it is the first time the dancers will perform full-out in their costume with their hair and makeup complete. All Dress Rehearsals will be held at our main location of Rhythm Dance Center (3980 Shallowford Road). We will have the studio set up to feel as much like the stage as possible! This is also when your dancer's class and individual photos will be taken, and they will pick up their Rhythm Nation Barbie Dream Vacation T-shirt! It's an exciting day for your dancer!

When is Dress Rehearsal?

Dates: Monday, May 13 - Thursday May, 16

Time: This packet/chart includes the specific day and time for your dancer's Dress Rehearsal!

Where is Dress Rehearsal?

All Dress Rehearsals will be held at Rhythm Dance Center's Main Location at 3980 Shallowford Road! Even if your class is normally held at Rhythm Annex, your Dress Rehearsal will be at the Main Location.

Will I still have my regular class during Dress Rehearsal Week?

If your dance class is normally held Monday - Thursday, your Dress Rehearsal will take the place of your dancer's regular class for that week!

If your dance class is normally held on Fridays or Saturdays, you will still have your regular class in addition to the Dress Rehearsal day and time listed in this packet. However, your Dress Rehearsal day will not be held on your class day.

Where possible, we made every attempt to schedule rehearsal near your dancer's regular class time, but not all rehearsals will be held in the same timeframe as your class. Please refer to the arrival time listed in the chart on pages 8-11.

Note: We will hold all non-Edge Acrobatic classes at their regularly scheduled time at the Annex location as they do not partake in the dress rehearsal process or the Year-End Show. Edge Acro classes will be canceled.

Who can watch Dress Rehearsal?

There is no charge to watch your dancer at Dress Rehearsal, however we can only allow two guests per dancer. This is a very short performance and space is limited, so there will be standing room only.

What is the Dress Rehearsal process?

You will drop your dancer off at the studio entrance noted in the attached chart on pages 8-11. Dancers must arrive dressed in costume with full hair and makeup at the designated time. Your dancer will briefly practice with their class and teacher (see practice time in the chart). We will then escort them to have their individual photos taken, and then into Studio A for their designated rehearsal (see chart for time). This is where you will be able to watch them perform.

After your dancer's class performs, we will take their class photo, and then you and your dancer will have the opportunity to take some fun individual photos, and pick up your Rhythm Nation Barbie Dream Vacation T-shirt. You will then exit through the Studio D/E Lobby door. Plenty of staff will be on hand to direct you and your dancer where to go, and we will provide more details the week leading up to dress rehearsal.

What time do I arrive at Dress Rehearsal?

The enclosed chart on pages 8-11 includes the arrival time, practice time and actual rehearsal time. It is very important that your dancer arrives at the studio fully dressed in costume, hair and makeup at the designated arrival time. **Please note: We will not wait past the scheduled time for any dancer, and we cannot perform the routine again if you or your dancer arrive late.**

Can I expect the Dress Rehearsal schedule to run on time?

Yes! We typically run on time, almost to the minute. So, if you do not arrive at your scheduled time, your dancer may miss the rehearsal. Trust us, it is no fun for your dancer if they are late or miss their rehearsal! **This is an important day, so please make an extra effort to ensure an on-time arrival!**

Where do I drop my dancer off for Dress Rehearsal?

The enclosed chart on pages 8-11 indicates the studio entrance your dancer will report to. It will be at the exterior door of either Studio B or Studio C, and the chart indicates the exact time your dancer should arrive.

Where do I go to watch Dress Rehearsal, after I drop my dancer off?

Parents will not enter the studio with the dancer, but instead should report to the exterior Studio A entrance 10 minutes before the actual rehearsal time. At that time, no more than 2 guests will be admitted into Studio A to watch rehearsal.

If you choose to wait in your car while your dancer practices/before the rehearsal performance, make sure you are at the side door of Studio A at least 10 minutes before the scheduled rehearsal time, as sometimes we do run early. We make every effort to find all families before beginning the performance, but we cannot hold the rehearsal to wait on guests.

DRESS REHEARSAL *(continued)*

When will individual photos take place?

Individual photos will be taken at the dress rehearsal right after they practice with their class (before they perform for you). Our staff will escort them to the photo area, assist with their poses and make sure they bring out their big, beautiful smiles for the camera! We will take a photo of every dancer in every costume. Every dancer will receive one individual digital photo (one costume pose) as part of your Rhythm Nation Barbie Dream Vacation FUNdle fee. And, if you are in Club Rhythm, you will receive a total of TWO photos at no additional cost.

If your dancer is in multiple classes, you will have the opportunity later to purchase additional digital photos for \$25 each. Stay tuned for more details!

When will class group photos take place?

As soon as dancers finish their rehearsal, we will take their group photos in Studio A in front of our fun backdrop. We will then direct you and your dancer to a photo op area for other fun photos.

Should my dancer arrive at Dress Rehearsal in costume?

Yes! PLEASE bring dancers dressed, in stage makeup and with hair styled! There will not be a space for you to get your dancer dressed when you arrive, so please come ready to go!

Will there be a changing area for my dancer who has multiple routines/costumes for Dress Rehearsal?

Yes. Studio E will be the designated dressing space for dancers who have multiple routines and costume changes close together.

Can I video my dancer at Dress Rehearsal?

Yes, Dress Rehearsal is a great time to video your dancer! Please take as many photos/videos as you would like during Dress Rehearsal! During the shows, there can be no flash photography, but taking pictures without a flash is fine.

How long should I plan on being at Dress Rehearsal?

You should plan to be there for approximately 1 hour from your designated arrival time.

THE BIG DAY - Rhythm Nation Barbie Dream Vacation

This is the **Big**, exciting day your dancer has worked hard for all year long! It's going to be such a fun adventure for them to take the stage and perform! We want to make this experience the best it can be for you and your dancer, so please continue to read all the details below carefully.

When do I need to arrive at the theater?

We will begin checking in dancers 45 minutes prior to the start of the show, and ALL dancers will need to be checked in no later than 30 minutes before the show begins.

Where do I drop off my dancer?

Your dancer's class is assigned to a specific holding/dressing area at the venue. You will find this information on the Show Chart on pages 15-25 in this packet. Please note, if your dancer has multiple dances/classes in the same show, you will only use the dressing room assigned to your first dance of the show. The running order of each show can be found at the very end of this packet to help you determine which dance/class will be first. Additionally, Rhythm Staff will be available to assist you and your dancer to direct you to the proper dressing area. You can also refer to the venue map on page 3 of this packet!

Who can drop off my dancer?

We ask that only ONE PARENT check in and drop off each dancer. Parents will not be able to enter the dressing rooms. We have capable Rhythm staff members to assist your dancers once they are checked in and dropped off.

Check-In/Arrival Policy & Procedures:

- As you arrive, you will be greeted by Rhythm Dance Center staff who will help direct you to the appropriate check-in area for your dancer.
- We will have two main check-in points: One in the front lobby of the theater as you enter the building. The second is at the rear of the theater and is accessed by the sidewalk on the right side of the building. Your dancer's assigned check-in point can be found in the Show Chart on pages 15-25. We will have signage and staff on site to assist you.
- GUYS (aka KENS): Pages 15-25 indicates where your class' dressing/holding room will be, but boys who are in the same class with girls will receive a separate email prior to the show with specifics about your check-in location.
- After checking in and dropping off your dancer, you will join your family/guests and enter the theater to find your seats. Reminder, no one except dancers and Rhythm Staff are allowed beyond the check-in point or in the holding/dressing rooms at any time.

Check-Out/Dismissal Policy & Procedures:

- To help the flow of traffic at dismissal, the dismissal/check-out location for some classes will be different from the check-in location. You can find your dancer's designated dismissal/check-out location in the Show Chart on pages 15-25.
- If your dancer is only performing in Act 1, you may pick them up at Intermission and return to the theater with them to enjoy the rest of the show (ONLY if seats are available). **Act 1 Dancers will not be released until Intermission and must be picked up by a parent.**
- If your dancer is performing in Act 2 only, they are required to be in the holding/dressing room for the entirety of the show. **Act 2 Dancers will not be released until the end of the show and must be picked up by a parent.**

Should my dancer arrive at the Year-End Show in costume?

Yes! If your dancer only has one routine, we ask that they arrive dressed in their costume with hair and makeup done. This will help things run smoothly! If they have multiple routines, there will be Rhythm Staff members in the holding/dressing room to assist with costume and hair changes. Please have their costumes, shoes and hair supplies organized, labeled and readily available in a small bag or garment bag. Please note, if your dancer is only in one routine, we prefer they do not bring a bag into the dressing room unless absolutely necessary.

IMPORTANT: If you wish to take photos with your dancer before the show at one of our many fun Rhythm Nation Barbie Dream Vacation photo op areas, you need to arrive even earlier than 45 minutes prior to show time. **ALL DANCERS must be checked into the dressing room 30 minutes before show time.** Once they are checked in, they **may not** leave the holding/dressing room area to take photos or for any other reason.

Will my dancer be able to watch the show?

We plan to have a monitor with a live feed of the show in all the holding/dressing rooms so the kids can watch the show, too.

Can I go backstage or to the dressing room to assist my dancer between routines?

No parents, family, or friends will be allowed in the backstage or holding/dressing areas at any time during the show. No exceptions! Our staff will be there to assist your dancer with anything they might need. Thank you for respecting this policy – it is for the safety and security of all the dancers!

STAGE MAKEUP AND HAIR

Does my dancer need to wear makeup for Dress Rehearsal and the Year-End Show?

Yes! The lights on the stage are very bright, and the theater is large! All dancers will need to wear makeup for both the dress rehearsal at Rhythm and the show at The First Center. This will help their beautiful faces to not be washed out by the lights and to better stand out on stage.

For the younger dancers, we suggest blush, glitter and lipstick. The older dancers should wear blush, lipstick, eye makeup and glitter (optional). All dancers should look their best for the big day! A small amount of body glitter is great, too, and adds an extra touch!

How do I style my dancer's hair for Dress Rehearsal and the Year-End Show?

For uniformity, we assign each class a specific hairstyle for the performance. This hairstyle is listed in the Show Chart on pages 15-25 in this packet! Please make sure you are aware of this hairstyle! Hair should be as neat and clean as possible. If your assigned hairstyle is for the hair to be up, please make sure it is secure! If your class hairstyle says "Pretty", this just means to fix your child's hair however you like best. This is a special day, so you should make a special effort to help your dancer look their best! Use gel/clips/hairspray to smooth fly-aways so that all dancers have a classy and uniform look on stage! If you have a hairpiece, please also make sure it is very secure so that it does not fall off during the performance! Dress Rehearsal is just as important – so please do hair and makeup for this day just as you would for the show!

DREAM VACAY SOUVENIRS

Rhythm Nation Barbie Dream Vacation T-Shirts

Every dancer will receive a Year-End Show T-shirt with their Rhythm Nation Barbie Dream Vacation FUNdle! There will be two fun designs to choose from. We'll share those design options soon along with a form to designate your size. Be on the lookout for more details coming soon! Don't worry Moms & Dads, you will have an opportunity to purchase your very own Rhythm Nation Barbie Dream Vacation T-shirt as well! Information on purchasing additional shirts will be emailed to you soon as well!

Year-End Show Photos

We will have photographers taking both group and individual photos during Dress Rehearsals. We will escort dancers to individual photos right before they perform, and then group photos will be taken immediately following each routine. Remember, every dancer will receive a digital copy of their class photos and one individual photo in the costume of your choice (or two if you are in Club Rhythm). After the group photo is taken, you will have the opportunity to take your own individual photos in front of our Rhythm Nation Barbie Dream Vacation backdrops, then proceed to Studio D/E Lobby where you can pick up your Rhythm Nation Barbie Dream Vacation T-shirt and have your Rhythm Barbie Confetti Party photo taken (see below)! Additionally, we will have plenty of fun photo areas on the day of the show!

Rhythm Barbie Confetti Party Photo Series

When it comes to photos, we're pretty sure that nothing is more fun and photogenic than confetti! We're super excited to offer the option to purchase an additional, super special and fun photo op: Rhythm Barbie Confetti Party! For this fun photo experience, you will receive a series of 3-5 colorful images of your dancer in costume as colorful confetti falls all around her or him! You will absolutely love seeing their laughing, smiling faces light up with excitement while dancing around in a rainbow of confetti! If you opt into this photo experience, this photo will be taken immediately following your dancer's dress rehearsal (our staff and signage will direct you where to go). We will send you information soon on how you can pre-purchase this fun experience. While we recommend that you pre-purchase this fun photo op, we will have limited walk-up spots on dress rehearsal day as well. **Please Note: This photo op is only available for a few hours each day, not the entire day of dress rehearsal. If your dancer wants to participate but has rehearsal in the evening hours, they will need to come during the designated hours, separate from their rehearsal time.**

Recording of Live Shows

All Year-End Shows will be professionally recorded. As part of your Rhythm Nation Barbie Dream Vacation FUNdle, you will receive access to one download of your choice from our 9 Rhythm Nation Barbie Dream Vacation Year-End Shows! You will simply pay the \$1.95 fee charged by Dance Recital Ticketing to obtain your download. You will also have the option to purchase any additional shows you would like for \$35 for the first show and \$25 for each additional one, plus the \$1.95 fee per download.

Flowers

Surprise your dancer with a beautiful Barbie Bouquet after their Rhythm Nation Barbie Dream Vacation performance! We will once again offer the option to pre-order flowers for your dancer and pick them up at the show! Our pre-order option is the lowest cost option, but a limited quantity of flowers will be also available for purchase in the theater lobby during all the shows (while supplies last). There are several different price points and varieties to choose from, all packaged beautifully in the theme of our show! Be on the lookout for more details and ordering options coming soon!
