PARKING ~ Main Location

Our parking lot at Rhythm Main Location is quite busy, and it can sometimes be difficult to find a space, especially the first few weeks of class. We are very much aware of this and sincerely apologize for any inconvenience. A few tips:

- When possible, please allow extra time to drop off or find a parking spot.
- Carpool! If you have a friend who dances at Rhythm, try to ride together!
- Please do not park along the fire lane, in front of the mailbox, or at the exit of our circle gravel parking lot. These are not parking spaces and will block the flow of moving traffic.
- If you are not staying in the parking lot during your dancer's class and wish to drop them off, you are welcome to drop off at the front door (the parking space will be blocked off for safety of the dancers) and a host or staff member will assist them to class.

Important: Please DO NOT park at the Eye Care Center as they will tow your car at your own expense!

PARKING ~ Annex

You will find plenty of parking options at our Annex location at 2520 Shallowford Road! A Class Host is available at this location to greet and direct your dancer to their dance classroom!

Arrivals, Dismissals & Lobby Protocols

Parents/Caregivers:

We welcome our families into our lobby areas but we do like to prioritize our limited space for our dancers and their belongings. If at any time the lobby becomes too crowded, we may ask you to return to your car until class ends. This is a great time for you to run an errand, catch up with a friend in the parking lot or even go on a quick walk! If you are coming inside the studio, please plan to enter the building no more than 5 minutes prior to the beginning and end of class time. You are always welcome to use our restroom, drop off snacks/water for your dancer, etc.! Thank you in advance for understanding!

Preschool & Kindergarten Dancers:

Please plan to escort your dancer to and from the classroom.

Dancers Ages 6 and up:

We welcome you to escort your dancer to and from class if you would like to do so. If your dancer is familiar with the studio, dropping off at the front door is preferred. We have fabulous Rhythm Class Hosts who can assist your dancer while in the studio and help direct them where to go.

Dancers with Multiple Classes:

If your dancer has multiple classes with a break in between, they are welcome to wait in our student lounge area until their next class begins.

More Important Info...

Tuition will be auto drafted from your account on the first of the month September 2023 - May 2024. Tuition is based on a full year of dance, not the number of classes per month. For more information on this, you can access our website or email info@rhythmdancecenter.com.

If your dancer misses a class for any reason, they are more than welcome to make them up at your convenience. We prefer that your dancer makes up the class in the same age and style that they normally take. You can find these options on [our website](#) or on the following pages! If you are making up a class after January, please contact the front desk for make up options as many classes begin working on their Year-End Show dances. We are happy to answer any questions you may have at 770-998-6507 or krista@rhythmdancecenter.com.

Rhythm Dance Center has camera systems in each classroom. These cameras are primarily for the safety and protection of your dancer and our staff. They will not be available for public viewing except during designated parent observation weeks which will be the first full week of each month.

In addition, we will host one in-person observation week to be held December 13-19, 2023. You are welcome to join us the last 15 minutes of class to observe your dancer in class. More details later this fall!

Other than these designated observation weeks, parents or guests will not be able to watch or view classes. This is to minimize distractions and disruptions during dance class. Thank you for understanding!
